It's Time For A Change

The most striking thing about the world today is the tremendous progress being made in all fields of man's endeavor. Changes are constantly taking place, and hardly anything today is the same as it was ten years ago.

Evidence of this progress reached the campus of Temple City High School this year, with the first major construction undertaken since the school was built.

Teaching and learning to the booming sounds of construction, everyone became aware of the tremendous changes taking place. It is in recognition of this progress that this year's Templar staff has decided that It's Time for a Change.

Mr. Wilson

"Buck" Wilson, Cee Football Coach, poses for the staff photographer.

To a dream and to a man this book is dedicated. The dream is preparation for the future through education; the man is Mr. Maynard Wilson.

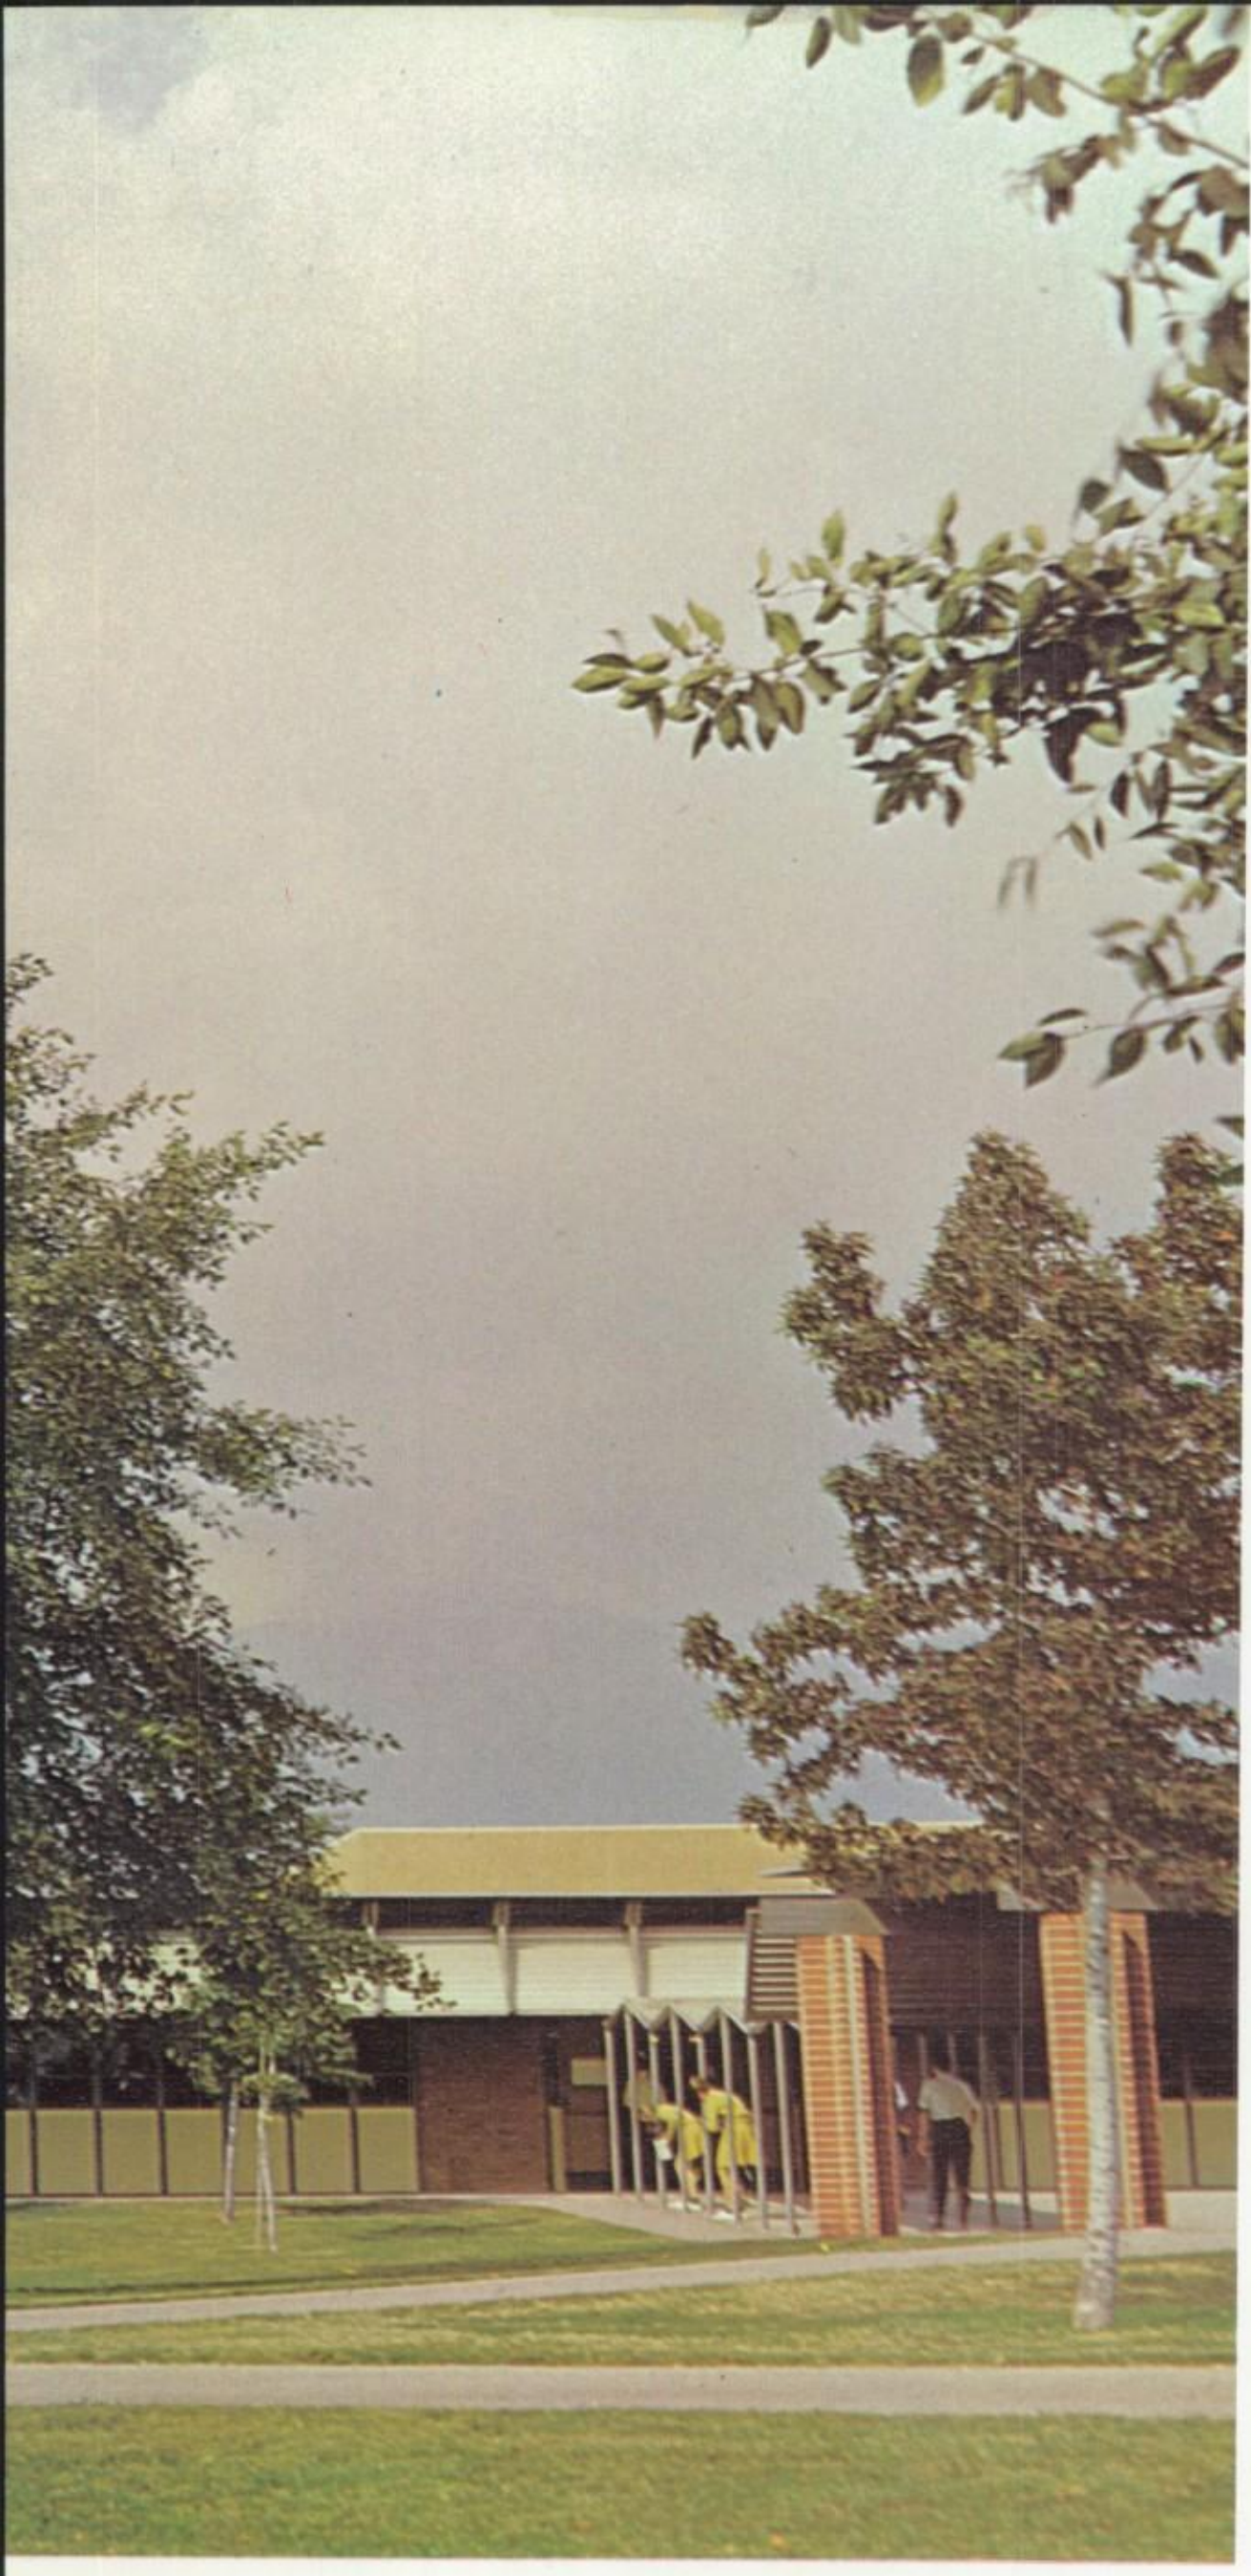
This dream concerns everyone. It's time for a change and each student will soon be passing from school life, in which he had many of his problems solved for him, into a mature business world where he will have to make his own decisions. Education will open doors for him beyond his wildest imaginations.

A man who has done much to further the cause of preparation through higher learning at Temple City High School is Mr. Maynard "Buck" Wilson. During his years as an English and journalism teacher, and as advisor of the yearbook and Rampage staffs he has worked to insure his students fulfillment of this dream. He is also concerned with increasing student interest in athletics. This concern he shows by coaching the tennis squad and the Cee-football team.

To a dream, to a man, to a successful democracy through people prepared for their places in life we dedicate the Templar of 1966.

The 1966 TEMPLAR staff

Mr. Wilson, Yearbook Advisor, was photographed unknowingly while explaining the use of the lightboard to Joy Burkholder.



ALMA MATER

Temple City we love thee,
now and for all times to be.
As we will pledge our loyalty
To thee, to thee.

Hail our colors green and gold,
Standing for our dreams untold,
As we will strive to reach
our goals
For thee, for thee.
Hail Temple City, All hail

Administration Forges Ahead

Dr. Rand, Superintendent of Schools, being concerned with the broadening of education, promoted many new learning experiences. The visitation of foreign educators and the seminars involving cultural exchange illustrates this point.

Assistant Superintendents. Mr. Mason, forced to take a leave of absence in October, handed his duties over to Mr. Nielson, while Mr. Hawkins assumes the responsibilities previously handled by Mr. Nielson.

The School Board, led by President Klass, sets the policies of the school district and works with the student government of Temple City High School.

Mr. Camfield, principal, is now concerned with crowded conditions and the construction of new classrooms to alleviate this problem.

In charge of Administration is Miss Shephard. She works with the office personnel and teachers. She is also in charge of disciplining the students.

The introduction of new methods for higher education is Mr. Bregoli's responsibility.

COUNSELORS PREPARE STUDENTS

Students needing assistance in selecting a college and/or a career seek the counselors for advice. With files of information about colleges and jobs and their ability to help students in need, they are very helpful to students. Their offices are always busy helping students who need this time of individual attention.

Mr. Heyne, head counselor, is now helping Juniors choose those goals they will pursue after high school.

Mr. Phillips, senior counselor, is assisting students who are making last-minute decisions about their future.

Mr. Fuller, sophomore counselor, helps students decide what courses they will take in the future.

A new addition to the counseling department is Mr. Brady, freshman counselor. Now each class has its own counselor.

SECRETARIES KEEP THINGS ORDERLY

Mrs. Barnard

Mrs. Birkemeier

Mrs. Chenault

The principal, vice-principals, counselors, and teachers would have a difficult time without secretaries to keep matters in order. Many appointments would go unkept and records and papers would be lost without these hard working people.

The secretarial staff arranges appointments for students and teachers. They also assume the endless job of keeping all the records of the school in order and filed correctly. By performing these duties the secretaries keep the school running smoothly and efficiently.

Personnel Aid School

Students would find life at Temple City High School almost impossible without the P.T.A. and a number of behind-the-scenes people.

The purpose of the P.T.A. is to promote co-operation between parents and teachers. They send the "Rambler" to parents each month reporting the business of the administration, the school, and the district. They also sponsor fifth quarter dances after football and basketball games.

New at Temple City High School this year are campus supervisors, Mrs. Ferber and Mr. Harding. They police the school, keeping law and order.

The librarians, Mrs. Meeks and Mr. Hardt, are willing and eager to help students locate books and information. They check out textbooks to teachers and students. They also add many new books to the library each year.

Sick and injured students seek the aid of Miss Weber, the nurse.

Always ready at poolside if an accident should occur is lifeguard, Mr. Hamlin. He also finds time to assist the coaches during tests in the various swimming courses.

Everyday the cafeteria staff prepares lunch for hungry students and faculty.

The custodians keep the campus pleasant and beautiful. They also clean up after careless students.

Each day bus drivers bring students to school, bright and alert, and take them home, tired and weary.

Notes can be taken quickly and easily with shorthand. Those becoming secretaries will need a thorough knowledge of shorthand.

Office Practice and Vocational Secretary are designed for future secretaries. They give a thorough grounding in secretarial work, including the operation of office machines.

Business gives students a knowledge of business operation. Economic Education offers job experience to interested students.

Business Law deepens understanding of business operation, while bookkeeping teaches students how to keep office records and to record gains and losses accurately.

Auto Shop has proved its worth for male students. In this course boys learn to dismantle and reassemble cars. They learn how car engines operate. A knowledge of drafting is helpful in many fields, especially for those who wish to become architects or engineers. The course teaches students to read plans and make exact drawings.

Wood Shop gives students an opportunity to work with various tools, and make household furnishings.

MATH CHANGES WITH THE TIME

This year, for the first time, Modern Math is being taught on a wide scale at T.C.H.S. This type of math is designed to help students understand theories of mathematics. This is essential because of the increasing importance of mathematics today.

Basic and Secondary Math give a review of the fundamentals of mathematics through the eighth grade.

Algebra 1-2 is concerned with formulas for finding unknown quantities.

Geometry deals with reasoning and logic. Using axioms and theorems, students discover why formulas are applicable.

Algebra 3-4 is a review of Algebra 1-2 and Geometry with additional mathematical applications.

Trigonometry teaches the functions of angles and the application of this knowledge.

Some students, having taken Algebra 1-2 in the eighth grade, are able to study Calculus at Pasadena City College while still in high school.

Basic Science offers a general introduction to the various branches of science.

Chemistry is concerned with the types of matter which make up our universe and with the relation of one type to another. Students perform laboratory experiments to test reactions of chemicals.

Physics deals with energy, matter, and motion. This is an advanced course for students who are interested in science.

Four years of English are required for all students at Temple City High School.

In Freshman and Sophomore English, grammar is reviewed in preparation for composition. Also, courses in literature are begun, preparing the student for further exploration in this field.

In Junior and Senior English, emphasis is placed on literature, composition, and expression, rather than on grammar, although this study is broadened too.

In Basic English, fundamentals of grammar are reviewed.

Speech is a course which develops public speaking ability. The Journalism class puts out the school newspaper, while the Yearbook class produces the Templar. Both of these classes give students many and varied chances to be creative and effective in English usage.

SO DOES THE SOCIAL SCIENCE DEPARTMENT

The Social Science Department has one of the most difficult tasks on campus, this being to keep up with all that is happening today. The curriculum is constantly expanded to accommodate all events that are taking place plus all that is being learned of the past.

The newest course in this department is Humanities. This class explores philosophies and cultures of other countries, helping students to better understand foreign peoples.

Senior Problems covers national and local government and world problems and politics.

Juniors study the history of the United States to gain a better understanding of its heritage.

Team teaching is one of the more modern aspects of instruction on campus. Most Sophomores take social studies under this plan. The course covers a brief history of the present day situation in the communist countries, Asia, Africa, and Latin America.

Freshmen undertake three useful courses in one class. These are World History, First Aid, and Drivers Education. World History broadens understanding of enmities between people. First Aid may help save someone's life. Driver's Education hopefully makes better drivers.

FINE ARTS UNCOVER TALENT

Foreign languages, art, and music all contribute to the formation of a well-rounded and cultured person.

French, German, and Spanish are the foreign languages offered at Temple City High School. Along with the language fundamentals, the history, customs, and culture of the people are taught.

Art, especially, uncovers ability. Students learn many skills through the aid of Miss Layne.

The A Cappella Choir, Concert Choir, Madrigals, and the orchestra always give a fine performance for the Christmas holidays. The band is also present at games and pep assemblies. It also presents several performances during the school year and competes in numerous parades.

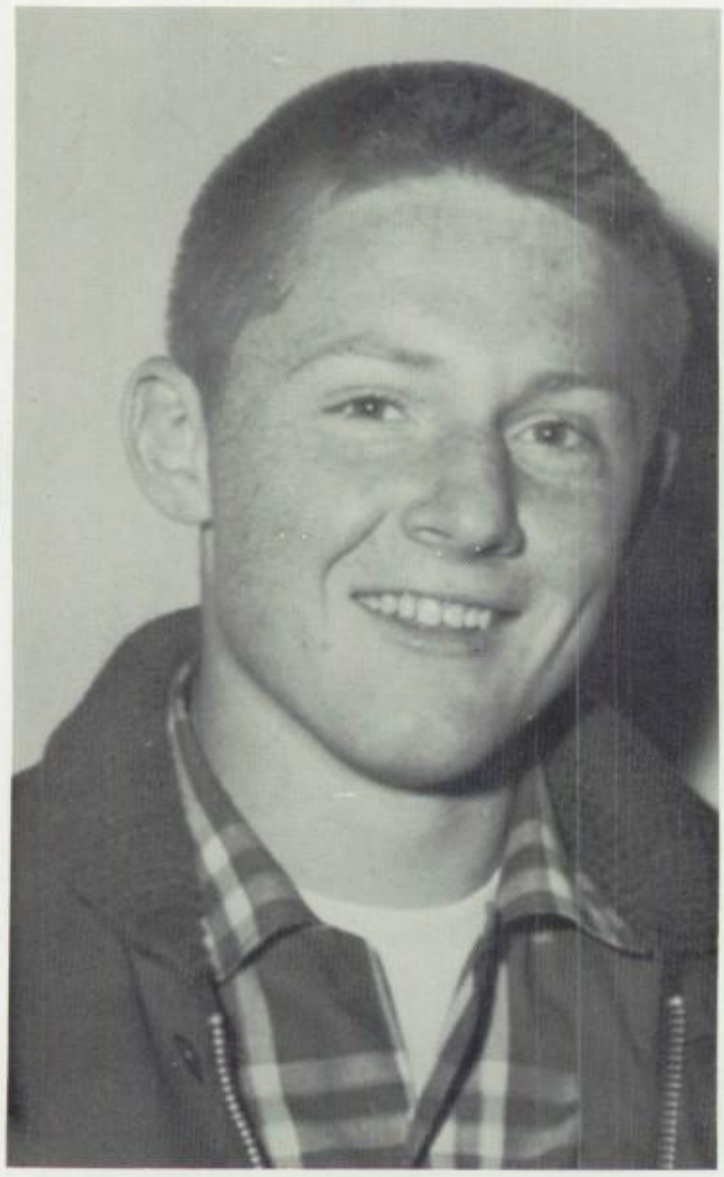
Bob And Kathy Honored



Bob Devine
Boys' State Representative

Kathy Perrine
Girls' State Representative

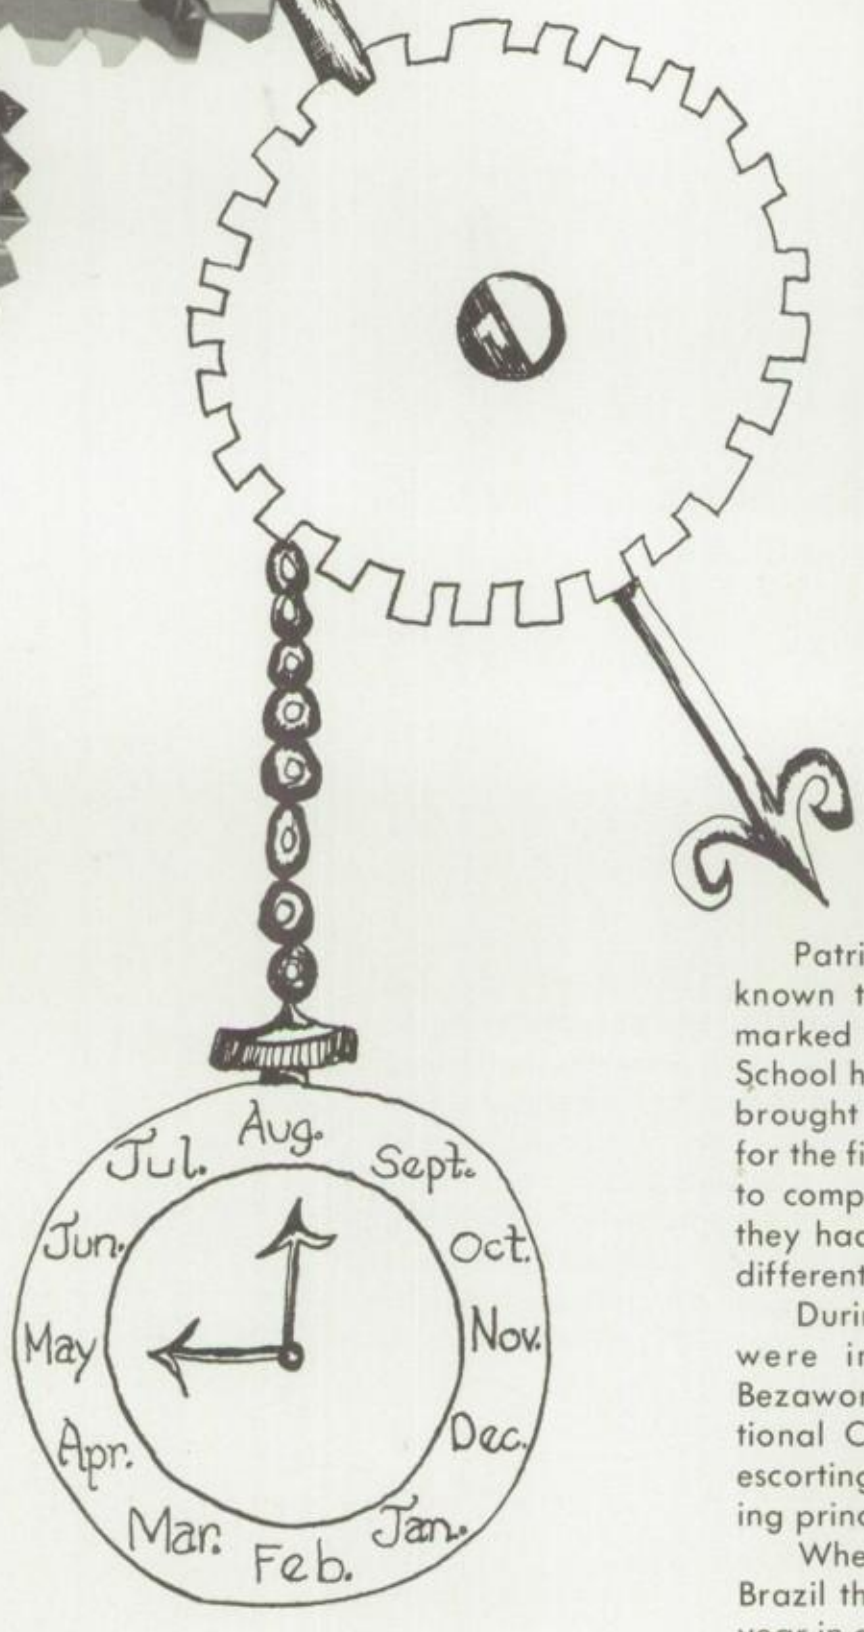
The purpose of Boys' and Girls' State is to give high school students an opportunity to see our government in action, thereby expanding their knowledge through actual experiences, which included making speeches and conducting their own campaigns and elections. This year two well qualified seniors, Robert Devine and Kathy Perrine, were chosen to represent Temple City High School during the summer. Bob and Kathy became acquainted with the work of state officials and gained a broader understanding of government affairs.

Bez And Pat's Year Ticks Past

Bez and Pat

Patricia Carvalho

Bezawork Shimelash



Patricia Carvalho and Bezawork Shimelash, known to most around campus as Bez and Pat, marked the second time that Temple City High School had the opportunity of having two students brought here by the American Field Service. Living for the first time with junior students, they were able to compare life in the United States with the life they had known in their homelands, finding many different customs and traditions.

During their year, they took varied subjects and were involved in extracurricular activities. Bezawork could be found selling apple for International Club at the annual Camellia festival and escorting Pat as she served as honorary homecoming princess.

When they return to their homes in Ethiopia and Brazil they will take with them the memories of a year in a no longer "strange land".

Barbara Brown Returns

Barbara displays a sheepskin rug presented her by Ranfurly District High School.

Barbara strolls through Senior quad on her first day back.

After spending a year in New Zealand with Mr. and Mrs. P. D. Grant and their two daughters, Robyn and Diane, while attending Ranfurly District High School, Barbara reports:

"Aotearoa" the Maoris called it—Land of the Long White Cloud—New Zealand. This was the country to which, through the American Field Service program, I was destined to travel.

I spent the year with a lovely family in a small but very stimulating community. The friendships that I gained and the experiences that I had will always remain among my most cherished memories.

Last January a year seemed like an eternity. I knew an apprehension I had never known before. But at the same time I had a feeling of expectant anticipation. Now a year has passed, and in that year any anticipations I may have had, have iong been dwarfed by the impressions of the fantastic array of experiences and memories that are in my past. I hope that I learned the value of people. I learned that New Zealanders love; just as we love. They have their dislikes just as we have our dislikes. They laugh and they cry; just as humanity laughs and cries. I learned the truth of the AFS theme:

'Walk together, talk together
Oh ye peoples of the earth;
Then and only then
Shall ye have peace.'

Dressed in her school uniform, decorated with school medals, Barbara holds New Zealand kiwi, a present from her sister Diane.

Students in Mr. Hiscox's sixth period English class prepare to start another hour of work and lecture.

Juniors Sing Out!

Hey look us over, lend us an ear.
We are the Juniors steppin' in this year.
We aren't as bad as some Seniors say,
But we will soon be Seniors too and probably
think that way.
So buddy don't be surprised if we are the best,
Our class has always been much better than
the rest,
So come along and work real hard and show
the Seniors up,
'67's looking up!

THE BEYOND

It seemeth such a little way to me
Across to that strange country,
The Beyond;
And yet, not strange, for it has
grown to be
The home of those of whom I am so fond.

And so for me there is no death;
It is but crossing, with abated breath,
A little strip of sea,
To find one's loved ones waiting
on the shore,
More beautiful, more precious
than before.

Templar Staff

Laurel Awsumb
Editor-in-chief

Many traditions were broken by the Templar Staff. The most predominant change occurred when a junior, Laurel Awsumb, was selected as Yearbook Editor. This was the first time that a Junior received such an honor.

Another change came about when the class size shrank from 30 to 13. Each editor was responsible for much more work.

The theme of the annual, "It's Time for a Change", was followed closely by the yearbook staff as many more improvements and changes were adapted throughout the year.

The colors, green and gold, chosen by the staff at the beginning of the year, represented the breaking of a great tradition. This was the first time in history that the school's colors were used for the annual.

With a smaller class size, Eva Hermann and Kathy Perrine, co-editors on the **Rampage** staff, worked harder to make the newspaper equal to past standards. As in the past, they received a First Class Rating in the National Scholastic Press Association.

During the first semester, the **Rampage** continued to be a weekly paper; but, during second semester, a lack of funds forced the **Rampage** to be printed bi-weekly.

According to Mr. Wilson: "This year's class offers a lot of experience. The members have to sell their own ads, write their own copy, and plan their pages. The biggest thing we develop is responsibility."

This year's class has covered all aspects of newspaper work.

Early in October, Dance Club began getting in shape for the annual Dance Concert held in early spring every year.

Meeting from 7 to 8 every Tuesday night, all the members got a chance to practice basic dance techniques.

A lot of time, energy, and hard work went into the 1966 Dance Concert which was based on motion picture themes.

One of the many field trips they took was to the Fox-Wilshire in Hollywood, where they saw **The Sound of Music.**

With the adoption of a new constitution, G.A.A. met twice a week and provided girls with an hour of refreshing, competitive fun.

Throughout the year, many active girls attended Sports Days at nearby schools. They played tournaments in volleyball, basketball, and softball.

A co-educational bowling league was also started during second quarter. A skating party, a slumber party in the gym, and bicycle riding were also included in the activities held during the year.

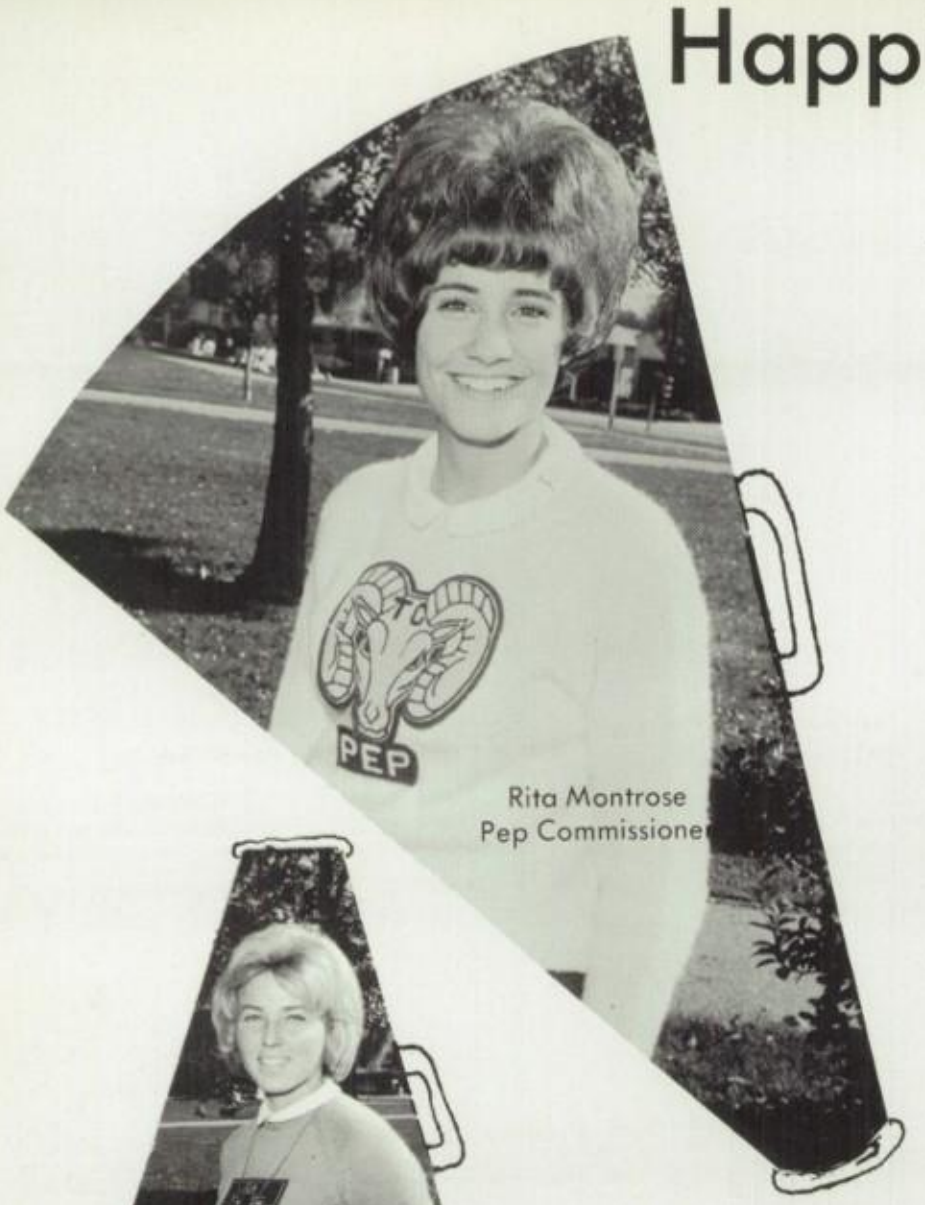
Happiness Is Pep



Rita Montrose
Pep Commissioner

This year's Pep Commission was one of the most active groups on campus. Led by enthusiastic and spirited Pep Commissioner, Rita Montrose, many new and unusual traditions were started.

The aim of the Pep Commission is to give support to all the athletic teams supporting Temple City High School. Football season began with a surprise dinner that all the players knew about, a breakfast, and singing telegrams. Songs made popular by Rita and the Pepsters were: **Varsity Guys** and **High Hopes.** Signs were delivered to each player's house at six in the morning by sleepy-eyed Pep Commission girls. All of the players were surprised, when coming home after a dinner at Coach Hitchcock's, to find their bedrooms completely decorated with signs, suckers, pillows, and crepe paper.

Signs dominated the appearance of school every Friday throughout all the sports. Pep rallies, held every Friday morning, promoted more spirit. Pep assemblies were few and far between but the spirit never died.

With gifts of mums, orchids, and cough drops from the Varsity Football Team, all of the girls on Pep found out how much the time, effort, and money they spent on the players had been appreciated.

President

Pep Club, led by President Pat Pierson, carried on past year's activities and spirit. White sweaters with emblems were ordered for the active and interested members.

Each week the Pep Club painted the numerous signs that dotted the campus. A candy apple sale was held at the beginning of the year. During football and basketball season, green shakers were sold.

Pep Club still remains the largest club on campus.

T.C.H.S.'s Dance Band is a selected group of musicians who are called the "Tempos". The members are chosen for the Concert Band on the basis of their musical ability. Every morning you can hear the Tempos practicing under the direction of Mr. Godfrey. They play various types of music, such as jazz, ballads, and popular hits. The highlight of the year for the Music Department is the Annual Dance Band Show, which is held in February.

They again displayed their talents as they performed two shows for television.

Rounding out the end of the year, the orchestra played for the Kiwanis Club, the Women's Club, and the Spring Music Festival.

Rehearsing each morning during first period at Oak Avenue Junior High School, the orchestra worked for perfection and experienced a very rewarding year.

Sheryl Still takes a whack at "The Tiger".

Dean Johnson, Cheryl Black, Wayne Miller and Sue Shillander participate in the San Marino pep rally.

Mrs. Carol Antista Wiles, 1965 Homecoming Queen, crowns 1966 Homecoming Queen Gayle Whitely.

The Rams enjoyed many entertaining pep rallies this year. Directed by and starring Rita Montrose and her Pep Commission; the pep rallies were held the afternoon of the games as often as possible.

In the Pep Commission's campaign against the South Pasadena Tigers, tickets were sold at 10c for a chance to "Smash the Tiger", an old car painted orange and black. The rally preceding the San Marino game presented our opponents "Attractive" Homecoming Royalty, dressed in the latest fashion. The most memorable rally was our own Homecoming Coronation of Gayle Whitely.

Class competition yells were the most popular of all and usually resulted in a disputed tie between the upper classmen.

Homecoming Royalty attend a 5th quarter dance.

Fifth Quarter Dances Swing

Fifth Quarter Dances are held after most home football and basketball games. They are sponsored by the Parent-Teacher Association, which hires a live band for each dance. The bands are usually composed of local talent, and many of their members are alumni of Temple City High School.

The dance, entitled "Sleigh Bells Ringing", was held in Beckner Gym on December 18. The Christmas Dance is sponsored annually by the Girls' and Boys' Leagues.

The Twelfth Annual Christmas Program was presented at the First Baptist Church of Temple City on December 15. Entertainment included the Concert Choir and the A Cappella Choir, directed by Mr. Roger Lockie, and the String Ensemble, directed by Mr. Bernard Gerrard, with Larry Keast, piano soloist. Also featured were soloists, Steve Burwell; pianist, Carol Dodds; and organist, Mr. Roy McMeen. The program was presented in memory of Karen Moreman, a member of Concert Choir, Temple Bells and Madrigals.

Featured during the evening was the Concert Choir performing excerpts from the "Gloria".

The A Cappella Choir was featured singing their favorite Christmas carols.

The String Ensemble performed selections from the New World Symphony.

Music of the season was played by a brass choir from the Rams Band.

ASSEMBLIES

Assembly Commissioner, Pete Mayerson, produced another year of fine assemblies for the Rams.

A variety of assemblies were enjoyed including the KRLA Roadshow, featuring Dick Biondi and the Knickerbockers, with Jerry Naylor and Jerry Butler. Student participation with the Fine Arts Department produced the Thanksgiving assembly.

John Goddard, famous explorer and anthropologist, returned to Temple City High School for his fifth year with his latest travel film on the Philippine Islands. Another rock n' roll assembly starred the Surfaris.

Through the year, other assemblies featured top performers, combining entertainment with education.

Presented by the TCHS Fine Arts Department, "Bye Bye Birdie", the Broadway musical, was most successful.

Plans for the production began last year, and actual rehearsals were begun as soon as possible this year. Cast practices took place in an empty building in Temple City, while the stage crew worked at the Playhouse.

The show drew from the combined talent of the Music and Drama departments, headed by Mr. Ben Godfrey and Mr. Michael Kosturick, respectively. In charge of dancers and choreography was Miss Margie Mohr, assisted by Miss Carolyn Dunn. Mr. Roger Lockie was director of vocal music.

Hugo Troncoso, junior, played the title role of Conrad Birdie, the rock 'n roll teenage singing idol. Senior Jeff Burke portrayed Albert Peterson, Birdie's manager. Cast as Albert's girlfriend and secretary, Lani Pedrini played the role of Rose. Lucky Kim MacAffee, the girl who won the contest to kiss Birdie, was portrayed by senior Carolyn Penny.

The choir and orchestra members performed over 33 numbers. Meanwhile, a group of 9 girls won dancing parts.

In order to publicize "Birdie", choir members sold "We Hate You Conrad" and "We Love You Conrad" buttons. Bumper stickers were also sold.

At last, "Bye Bye Birdie" opened at the San Gabriel Mission Playhouse on March 16, with a matinee, and had a four night run which included five performances.

"Birdie" cast looks on as Mr. Kosturick directs Jeff Burke in scene at the train station.

The many hours of practice were responsible for a successful production.

Mr. Camfield, sporting a senior beanie, enjoys the contests.

Sheri Benson, Renee Macias, Lory Distad and Don Johnson, ICC Day cheerleaders, lead the junior class in the Junior Song.

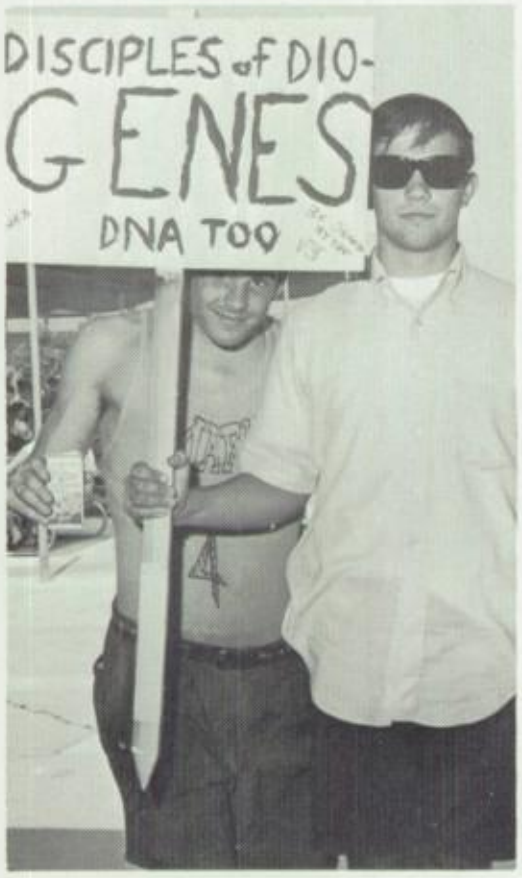
The most popular of all TCHS traditions, the 1966 Inter-Class Competition Day proved to be the best ever. Never had the school witnessed such spirit.

There were class seating and cheering sections, cheerleaders, costumes, suckers in class colors and eight big events.

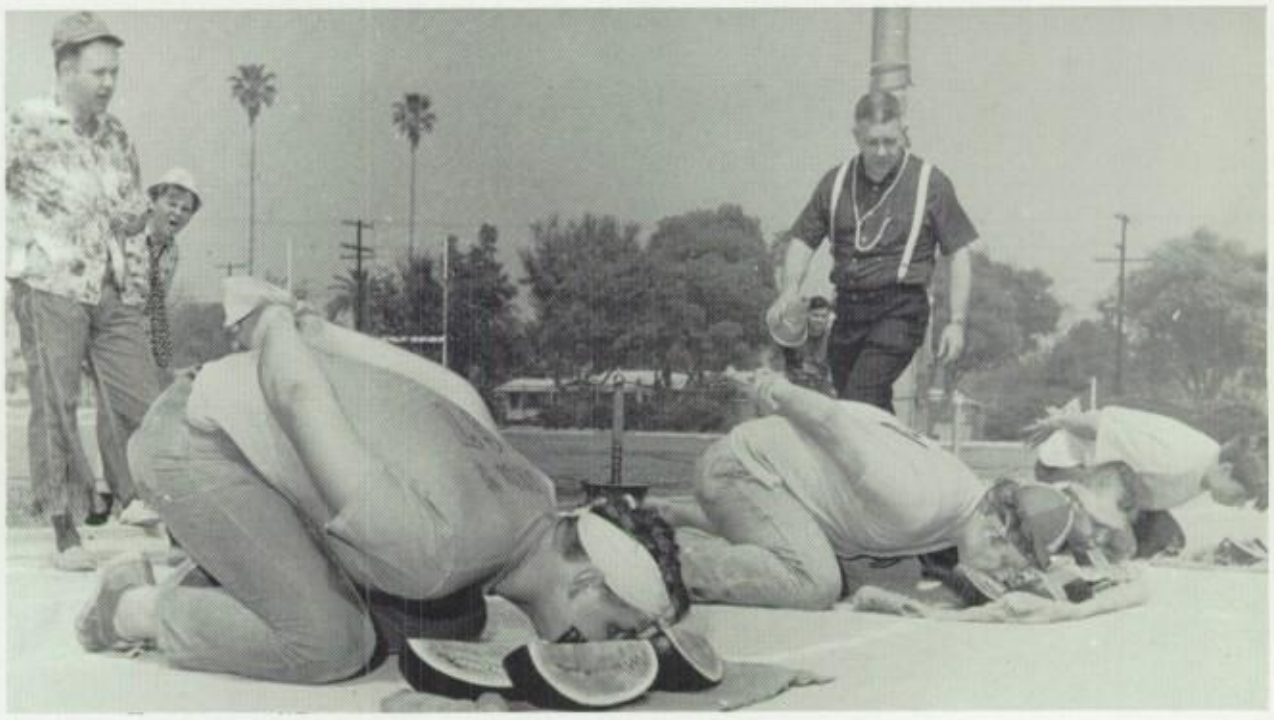
There was a wheelbarrow race, a four-legged, three-peopled race, a bat race and a gunny sack race. A new contest, the girdle race was a real struggle for some.

Four of the school's best eaters, one from each class, took part in the watermelon eating contest. The winners of the Wiskerino from each class were decided, and Pete Arlotti won the big award.

Sixty boys struggled in the tug-o-war, trying to drag each other through the spray from a garden hose.

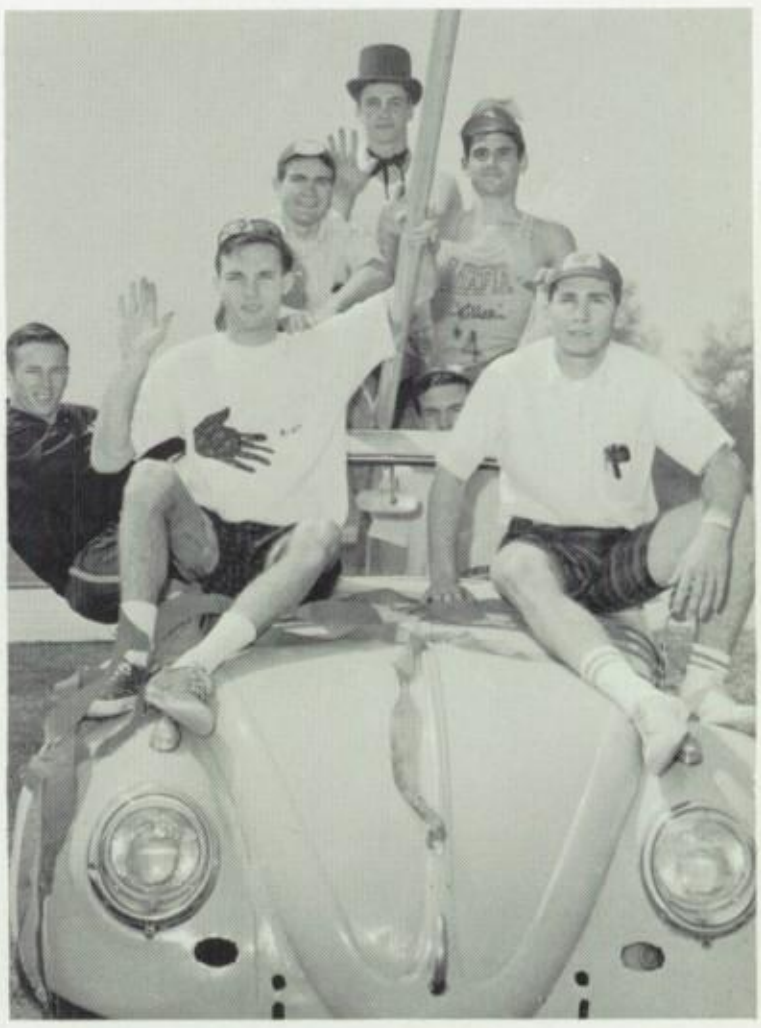


Typical "Diogenes" humor.



Mr. Harvey and Dr. Onderdonk referee the Watermelon Eating contest as Wayne Miller, Tom Thaxter, Dean Johnson and Tom Parkerson dig in.

Mr. Langdale signals for the contestants to get ready for the beginning of the wheelbarrow race.



Here are seniors Greg Sawrey, Doug Sears, Dave Heald, Bob Senne, Kip Burke, Bob Hauge and Craig Meyers.

Tempos Hold Annual Show

Directed by Mr. Ben Godfrey, the Dance Band performed classical and popular numbers.

The San Marino High School Auditorium was the scene of the annual Dance Band Show.

One of the best shows ever presented, it featured the Dance Band, the Templets, the Temple Belles and talented members of the faculty. The Dance Band and the Templets performed the "Pink Panther" and "Tequila" among others.

Much to the amazement and joy to all, Batman and Robin, alias Miss Hubert and Miss Grayson, respectively, made an unforgettable appearance.

The Madrigals added the folk touch to the performance.

Robin, Miss Grayson, and Batman, Miss Hubert, are on hand to demonstrate their skills.

Templets, Dina Benson, Sandy Hardesty, Renee Macias, Linda Avels, Laurel Awsumb and Kathy Tiberti, perform the "Pink Panther".

"Hollywood Movie Themes"

The annual dance concert was held on May 12 and 13 in Beckner Gym. This performance is the goal of Dance Club. The dances were centered around "Hollywood Movie Themes."

Plans for the concert were begun in February. Members of the club worked hard on the scenery, props and costumes.

All of the dances were created, directed and performed by the girls under the direction of Miss Margie Mohr.

Sally Taylor, Virginia Moss, Sue Shillander, Sharon Canfield and Gayle Whitely create their dances at one of the many practices.

Lynn Mallory, Sharon Drown, Cheryl Adams, Anne Dixon, Sandra Hull and Penny Droegemueller use umbrellas as a theme for their dance.

On October 18, three lovely girls began their reign as the Homecoming Court of 1965. These three girls were nominated by the Varsity Football Team as representatives of beauty and poise.

Linda Lee, Kathy Perrine, and Gayle Whiteley vied for the honor of Homecoming Queen.

By a vote of the student body, Gayle was chosen as Queen with Linda and Kathy serving as Princesses. Pat Carvalho, foreign exchange student from Brazil, served as Honorary Princess.

Homecoming Week began with a Kiwanis luncheon for the girls on Tuesday. Wednesday, the girls were honored by a dress-up day and a faculty tea after school.

At the coronation assembly, the Homecoming Queen and her royal court for 1965 were presented. Queen Gayle was crowned by last year's Homecoming Queen, Mrs. Carol Antista Wiles.

As a representative of the boys of the school, Mike Shaniuk kissed each of the court and crowned the three princesses.

After school, a caravan of cars, led by Queen Gayle, drove through town creating spirit and a few minor traffic jams.

At the smashing victory over Bell Gardens, Gayle and her court reigned, ending Homecoming 1965.

The Best Team Yet!!!

The Varsity football squad of 1965 will long be remembered as the finest team ever to be produced by head coach Bob Hitchcock and company. The Rams powered through all their competition with the combined efforts and determination of the entire squad. Spearheading the attack were fullback Bob Brown and Quarterback Greg Sawrey. By the end of the season, Temple City was rated number two in AAA competition, outrated only by West Covina.

The season opener saw the Rams run over the Chino Cowboys 34 to 13.

The next week, the team put out their best effort as they squeeked past Claremont 20 to 19.

The next tilt saw the Rams shutout the San Gabriel Matadors with a 27 to 0 victory.

After a 13 to 13 tie with Charter Oak, the Rams proceeded to roll up the highest score of the season for Homecoming as they frolicked over Bell Gardens 59 to 6.

In the next two weeks, the Rams put the South Pasadena Tigers in their tank and smashed La Canada with 28 to 6, and 28 to 7 victories respectively.

At the following outing, the Rams faced a very determined San Marino team. However, in the traditional rivalry, Temple City handed the Titans a 21 to 6 loss against a fine passing attack.

The last league tilt saw the Rams defeat the colorful Duarte Falcons in a 20 to 0 battle. On to C.I.F!

After crushing Culver City 31 to 12 the Rams started cold against Sierra High School and were eliminated from further playoffs with a 14 to 14 tie with the Spartans. The team lost on a first down decision with only seven firsts to Sierra's sixteen.

In the history of Temple City, this football team will be known as the finest squad the school ever produced. There may be teams that win C.I.F. but none will compare with the courage of the 1965 Rams.

The scoreboard tells the story as Temple City clobbered Bell Gardens.

Varsity Hoopsters Reign

Hard hit by graduation losses, the Varsity basketball team failed to match the success of last year's squad, but gave a good account of themselves by finishing in third place in the Rio Hondo League standings. The Rams were led by Dave Prest, Bob Brown, and Greg Sawery.

The Rams are looking ahead to a successful season next year, as a number of Juniors will be returning with the experience of a year's competition under their belts.

Netmen Prove To Be Tough

Mr. Wilson's Varsity tennis team gave a good account of itself with a record of 4 wins and 2 loses by the **Templar** printing deadline. Mr. Wilson stated that San Marino was the toughest opponent for the netmen. Junior, Terry Neudecker is the featured racket ripper on the team.

In the J.V. division, Mike Fuller heads Mr. Wilson's list of celebrities. Both teams play each opponent 3 times, "round robin" style.

Spikesters Prove Skill

George Lebrecht
Head Coach

The Varsity Track team of 1966 enjoyed a semi-successful season with a powerful running attack. Under head coach George Lebrecht and assistants, Al Langdale and Ed Mohr, the cindermen proved their worth on the Track and Field. Highlighting the year were sprinters Roger Jobe, Don Campbell, Tom Smith; long-distance men Mike Mullens and Don Piper, with Field event people, Mike Marshall and Larry Clark.

In competition, Bell Gardens proved the easiest opponents for the Rams as they triumphed 90 to 20.

Bee's Find Success!

The Bee Track team remained the most successful of the three squads in Rio Hondo League competition. They remained undefeated up to the time of the **Templar** printing deadline. Mr. Lebrecht was very satisfied with the performances of everyone on the team.

Leading the Bees to victory was Paul Anspauch whose record in the one-hundred yard dash will remain unbroken for many years to come. Another record holder on the team is Robert Hackney with a record for the six-sixty yard run. Also contributing greatly were: Jim Henry and Steve Mack.

Back row: Hackney, R., Roses, P., Mack, S., Knelman, B., Thompson, S., Funk, D., Anspach, P., Wright, M., Greenburg, J., Henry, J. Front row: McKeen, S., Skelly, D., Figaro, R., Garner, R., Corby, D., Lamb, J.

Cees Tear Thru Enemy

Mr. George LeBrecht's Cee Track team had a good year as they cornered most of their competitors. Behind the efforts of Ken Gordon on the hurdles, Pete Armato and Larry Elder in the sprints and relays, the Ramcees gained the respect of the other league teams in pre-season dual meets.

At another dual meet, held at La Canada, the teams ran their first meet under the lights.

Back row: Carucci, J., Smith, B., McInnes, M., Cangemi, A., Watson, P., Aken, R., Sparks, O., Ellenson, A., Timpone, J., Gasparino, M., Pierson, T., Malsalski, C., Elder, L., Buckeridge, D. Featured on the team were Barbara Perrou in the fifty yard backstroke and the fifty yard free style. Also competing was Peggy McLaughlin in the fifty yard breast stroke in which she is undefeated. Chris Mutter swam the fifty yard free style.

With a record of 4 wins and 4 loses, the team did very well for a new sporting group on campus.

Senior Glovemen Featured

The Ram Varsity horsehiders are slated for a strong comeback after ending in third place after the first round of play.

According to head Coach Roger Lockie, "We play the top two teams twice again. If we can handle them we'll be in good shape."

Leading the Ram Varsity are starting chuckers Jim Provenzano, Mike Lannom, and Bob Brown. Brown, who was picked for all-league and all-C.I.F. Honors, was chosen as Prep Player of the week for his efforts against San Marino in which he pitched a three-hitter and hit a grand-slam.

The teams to beat are Duarte and La Canada but Coach Lockie says, "We're capable of going all the way."

Back row: Coach Lockie, Brown, B., Huson, S., Beveridge, D., Lannom, M., Viet, R., Prest, D., Mitchell, B., Burkholder, R. Front row: Martinez, I., Smith, R., Myers, C., Provenzano, J., St. George, J., Senne, B., Sawrey, B., Rosenberger, D., Fradella, M.

J.V.'s Exhibit Ability

Coach Paul Peterson

Under the direction of coach Paul Peterson, the Temple City High J.V.'s showed great promise for a successful season. John Raef showed his pitching talent which proved to be very valuable to the Rams. In the batter's box, Rick Brown, Louie Szalai, and Mark Takayama proved their ability to hit in the clutch.

Next year's Varsity team should prove to be very exciting with the experience these players gain this year.

Back row: Bennet, B., Pennino, R., Rosenberger, D., McConnoll, K., Johns, S., Szalai, L., Scott, M., Moon, J., Takayama, M., McBride, D., Oaks, B. Middle row: Gamm, G., Brown, R., Raef, J., Sommerville, T., Cooper, P., Macias, C., McDonald, T., Tutt, C. Front row: Kajut, S., (scorekeeper).

This year's Frosh team contained many fine athletes such as; Ed Parker, Mike Roses, and John Fradella, not to mention the other players that made the season a fine one for the Peewees.

Under coach Don Swanson, the squad went into league competition confident of the championship. Unfortunately, **Templar** printing deadline made the final results unattainable.
